

FEDERAL COMMUNICATIONS COMMISSION
WASHINGTON

OFFICE OF
THE CHAIRMAN

July 7, 2020

The Honorable Grace F. Napolitano
U.S. House of Representatives
1610 Longworth House Office Building
Washington, DC 20515

Dear Congresswoman Napolitano:

Thank you for your letter supporting the application of the City of Hope for funding under the Federal Communications Commission's COVID-19 Telehealth Program, which is funded through a Congressional appropriation as part of the Coronavirus Aid, Relief, and Economic Security Act. As we engage in social distancing and healthcare providers work tirelessly to care for those with the COVID-19 disease and to prevent the spread to others, telehealth is becoming more important by the day.

The purpose of the COVID-19 Telehealth Program is to provide immediate support to eligible health care providers to improve their capacity to purchase telecommunications services, information services, and connected devices necessary to provide telehealth services and thus respond more effectively to the COVID-19 pandemic. I appreciate your support of City of Hope's proposal for telehealth funding and thank you for highlighting its potential community impact.

Please let me know if I can be of any further assistance.

Sincerely,

Ajit V. Pai
